

MONTESSORI CASA INTERNATIONAL
PRESCHOOL
Inspiring a passion for learning

A Message to Our Community

With heartfelt gratitude, we share that Montessori Casa International will be closing on July 31st, 2026.

Being part of this community has been a tremendous privilege for us. We have trained the very best of Montessori teachers and watched them blossom in their roles as teachers, Directors and opening their own schools. They carry the torch of authentic Montessori forward with a passion and belief that makes us so proud. We have observed children grow, learn, and begin their educational journeys within our walls and now see them thriving in High School and College! The relationships built here will always remain meaningful to us.

This was a difficult decision, made after careful reflection and consideration. We are proud of the impact we have made and thankful for the trust and support shown to us over the years.

Our deepest thanks to those who have been a part of our story.

With appreciation,

Punum Bhatia and the Board of Montessori Casa International
